Questions & Answers

- **Q: Do I need to be an advanced tennis player to join?**

A: Not at all. Players of all levels are welcome. Beginners get separate instruction, and everyone can play at their own pace.

- **Q: What's the weather like in Sep/Oct?**

A: Average 8 hours of sunshine per day. Daytime temperatures typically range from the mid-to-upper 60s°F, occasionally reaching the low 70s°F on warmer days. Evenings and nights are cooler, usually in the low to mid-50s°F. Mid-April is a great time for playing tennis, exploring, and relaxing — with plenty of sunshine, mild days, and comfortable conditions on and off the court.

- **Q: Do I need a visa to travel to Spain?**

A: No visa is required for U.S. citizens for stays under 90 days, but the EU's new ETIAS travel authorization — a quick, low-cost online screening — is expected to become mandatory sometime in 2027, which could affect this trip. Make sure your passport is valid for at least six months after travel, and check the official ETIAS website and travel.state.gov closer to your departure date for the latest requirements.

- **Q: Can I join if I'm traveling solo?**

A: Absolutely! The trip is designed to be friendly and inclusive, so whether you come alone or with a partner, you'll feel right at home.

- **Q: Will there be free time?**

A: Yes, plenty! You'll have time each day to relax at the hotel, stroll the beach, or explore on your own or with others.

We can't wait to welcome you!
See you on the courts!
