Questions & Answers

- **Q: Do I need to be an advanced tennis player to join?**

A: Not at all. Players of all levels are welcome. Beginners get separate instruction, and everyone can play at their own pace.

- **Q: What's the weather like in March?**

A: Average 8 hours of sunshine per day. Daytime temperatures typically reach mid 60s°F, with warmer afternoons pushing into high 60s °F to low 70s°F. Evenings and nights are pleasantly cool, usually in the low-to-mid 50s°F. Late March is a great time for playing tennis, exploring, and relaxing — with sunny days, fewer crowds, and comfortable conditions on and off the court.

- **Q: Do I need a visa to travel to Spain?**

A: No visa is required for U.S. citizens for stays under 90 days, but the EU's new ETIAS travel authorization — a quick, low-cost online screening — is expected to become mandatory sometime in 2027, which could affect this trip. Make sure your passport is valid for at least six months after travel, and check the official ETIAS website and travel.state.gov closer to your departure date for the latest requirements.

- **Q: Can I join if I'm traveling solo?**

A: Absolutely! The trip is designed to be friendly and inclusive, so whether you come alone or with a partner, you'll feel right at home.

- **Q: Will there be free time?**

A: Yes, plenty! You'll have time each day to relax at the hotel, stroll the beach, or explore on your own or with others.

We can't wait to welcome you!
See you on the courts!
